Subject: Europol Cybercrime Conference 2025 – Letter of Appreciation

Dear Ms. Kulesza,

On behalf of Europol and the organising committee of the Europol Cybercrime Conference 2025, I would like to extend our sincere gratitude for your valued contribution as a panellist during the session "Cyber diplomacy amidst global unrest" on 02/10/2025.

Your insights greatly enriched the discussions and provided our audience with a deeper understanding of the challenges and opportunities in today's cybercrime landscape. The clarity and expertise you brought to the debate were highly appreciated by all participants.

Your participation was instrumental in making the conference a success, and we are grateful for the time, knowledge, and commitment you shared with us and the wider community.

We hope to continue our collaboration in the future and look forward to engaging with you again in advancing our shared mission of building a safer digital world.

Yours sincerely,
